

Billinge Chapel End School Council

Meetings

Date: w/b 30/01/17

Agenda

Welcome and apologies: All councillors attended

Minutes of last meeting: Agreed

Agenda Item 1: Playground equipment.

We looked at a variety of websites for different playground equipment. Discussions were held around the cost, location, storage, upkeep and safety of a range of equipment. It was agreed to concentrate on 2 areas – a fitness trail and large play equipment, such as Jenga. Website links are as follows:

It was also agreed that any purchases for the playground would be stored in the spare classroom in Year 3 and would be looked after by SC.

Agenda Item 2: Playground rules. Council members thought that an assembly was needed to remind children of the agreed playground rules, particularly in the Quiet Area. Mr Montrose agreed to do this with the help of the SC.

Agenda Item 3: Book week swap. Children are looking forward to book week and reading with children from another class. One request was that children could read with siblings. Mr Montrose explained that this probably wouldn't work due to organisation.

Next meeting scheduled for w/b 27/02/17. To be discussed: Posh Nosh, Healthy Minds/Healthy bodies week.
