Week Ending: Friday June 16th 2017

Dear Parents,

Welcome to this week's newsletter. I hope you enjoyed this week's Sports Days as much as we did. The weather was very kind to us and apart from a few wayward javelins, everything went to plan!

As you can see from the reports below, the children had a very busy week with many classes out on school trips; thankfully the weather behaved itself and a good time was had by all.

Nursery Croxteth Park Trip

The nursery children, parents and teachers all had a fantastic time when we visited Croxteth Farm park.

Y1 Trip to Underwater Street

The Y1 children had a fabulous time on their school trip! They explored, discovered and constructed bath bombs, slime, fridge magnets and had lots of fun!

Y5 & Y6 Trips to Ingleton

Years 5 and 6 had great days out this week at the White Scar Caves and on the Ingleton Waterfall Trail. They were a credit to the school and we received several comments from members of the public regarding their good manners and sensible attitude.

Year 6 'High Fives' Netball Tournament

Well done to Zack Gardner, Archie Waldron, Nicole Barnett, Ella Gray, Jasmine Evans, Keira Gray, Gracie-May Doyle and Bella Shaw who were fantastic ambassadors for our school in Tuesday's netball tournament. We were very unlucky to be knocked out on goal difference but the children showed a great attitude and some brilliant netball skills. Well done!

Y6 PGL 21st - 23rd June 2017

Please note: Your child will need a packed lunch with their name clearly labelled in a plastic carrier bag on the day that we leave for PGL (21st June). Also, could any medication be put into a clear bag, again with the child's name clearly labelled and be given to Mrs Burns NOT packed in your child's luggage. Thanks.

Class Arrangements for September

Many of you may be aware already that both Mrs Stein and Mrs Robinson are pregnant. I am sure you will join us in wishing them all the best for the births, both of which are around September/October. Because of this, we are a little delayed in being able to confirm class arrangements for the new academic year but we are hoping to provide this information for you very shortly. Thank you for your patience with this.

Visiting Poet

This week we had a visit from Paul Delaney a Poet and Author, he took the assembly and then did a poetry workshop with Year 6 who produced some wonderful poetry of their own.
