Dear Parents and Carers,

I am writing to inform you that we have now recorded positive cases of COVID 19 in year groups 2,3,5 and 6. Some of the positive results were detected in children without symptoms who had taken a precautionary PCR test.

A meeting with St Helens Test and Trace team along with Public Health England will take place on Thursday 14th October to review the situation.

In light of this, I would like to echo the advice given last week for all parents to take their child for a PCR test even if they are not showing symptoms. Testing is the most effective way to control the spread of the virus.

We have reverted back to a bubble system across the school.

Bubble 1= EYFS  
Bubble 2 = Y1+Y2  
Bubble 3= Y3+Y4  
Bubble 4= Y5+Y6

We have organised separate spaces for children in breakfast and after school club so that we effectively operate our bubble system. Unfortunately, due to staffing restrictions we are still unable to offer places in breakfast and after school clubs to children in EYFS at this time.

Yours sincerely

Mr Hewitt  
Headteacher
