Football/ Mr Montrose/Mr Smith	Free
Football/ Mr Montrose/Mr Smith	Free
Football/ Mr Montrose/Mr Smith	Free
KS1 Summer Games Academy of Sports	£3.50 per session
KS2 Summer Games Academy of Sports	£3.50 per session

### Links with local clubs

Billinge Rangers train weekly on our football pitch and play matches at weekends.

Talks in assembly to promote clubs/event.

### 2.Competition

[LA competition framework 2018-19](#)

Y3/4 Gymnastics team

KS1 Kurling team

Y4 Highland Games

### Octagon Olympics

This is an annual event whereby our network of schools (Octagons) participate in a multi-sports event at a local High School (Year 5).

### Billinge Triad competitions

The three village schools compete in a football tournament each year hosted by Chapel End when we invite a team from Barcelona to come to Billinge to add an international flavour to proceedings.

### **St Aidan's, Chapel End and Barcelona football teams- Summer tournament**

**3. CPD.** Staff have benefitted from the leadership of Sports Coaches from the PE Academy who coach our children on a weekly basis. Academy of Sports coach in years 2, 3 and 5 for an hour a week. They provide quality provision and a TA is present in each session to observe, team-teach and take advantage of the professional development opportunities of working with qualified sports staff. The coaches provide all planning for teachers. One teacher attended Balance Bikes training in order to run the sessions for free next year through the LA Rent-a-bike scheme.

### Joining the dots

The above training was designed to complement the competition structure set up by St Helens LA competitions coordinator. Teachers have committed to attending a CPD event six weeks before a competition; a four week after school club immediately prior to a competition and then attend the competition itself. This means staff have the expertise and confidence to run a club, provide opportunities for participation and finally give children the opportunity to put into practice what they have been learning.

### **Rawmarsh scheme of work for PE**

This scheme was recently introduced to help with planning for each of the areas in the PE curriculum:

Gymnastics

Games

Dance

Outdoor Activities

It provides lesson plans for all year groups including the EYFS and ensures breadth, progression and continuity for the PE curriculum.

### **4. Healthy Lifestyles**

Peer Listeners-promote healthy minds by being available at all breaks to speak and provide peer to peer advice for all children. All children are trained via the Local Authority Healthy Schools coordinator.

Phys-kids/Activity Leaders on the Infants' playground top provide quality activities at lunch time.

The Healthy Living Team provided a programme of activities in school to provide children with activities that promote healthy lifestyles and food choices. They also provided four sessions, after school, for parents to drop in and discuss how they could support their children at home in making healthy choices (food choices and what they do in their spare time).

### **Healthy School standard**

We have held the Healthy Schools Award since 2009. The Healthy Lunchboxes initiative (Tasty Tuck Award) and our Walk to School Award-which is given weekly to the class with the highest percentage of walkers, are examples from our portfolio of evidence.

Having commissioned the 'Deeside Orienteering club' to map our school for an orienteering course, all staff accessed training on how to teach this important life-skill effectively to children and this is now embedded into our PE provision.

A climbing/traversing wall was installed to enhance our Outdoor and Adventurous Activities provision. Staff are trained in best use of the facility.

Effective Use of Change 4 Life resources- Equipment provided by Local Authority- weekly after school club to target children who rarely participate on ASCs/sports. In 2018 we commissioned two students from Edge Hill to run this initiative and also provide support in PE sessions and run a lunchtime club. This proved to be an excellent project and was successful in encouraging a larger number of children (many with different interests) to participate in healthy activities.

### **5. Equipment**

New equipment was purchased to supplement our current sports resources allowing us to teach an even wider range of sports such as Tri Golf and Kurling.

### **How the funding has been used**

- Swimming scheme- fund transport to and from baths.
- Playground equipment for playtimes and for Activity leaders
- Training materials for Playground Leaders
- Trim Trail purchased and installed on KS2 Playground
- Purchase of Games equipment. Multi sports equipment visit-used to purchase some equipment).
- Balance Bike sessions for Nursery and Reception
- Maintenance of PE equipment
- New gymnastics mats
- Supply cover for attendees at CPD events
- Sports Coaches- TA CPD/ quality PE provision
- Course costs
- Subsidise PGL (outdoor pursuits and provide financial support for low income families)

- Completed orienteering 'base.'

Compass rose, thermoplastic grid for 'thumbing' orientation' activities and Climbing Wall

Scooter Day-Grand Prix

Balance Bikes - EYFS

### Breakdown of Spending

Equipment/kits	£1000
Coaches	£5500
CPD Course cost	£300
Baths Transport	£1500
PGL subsidy	£500
Balance Bikes (EYFS))	£1000
Activity Leaders	£400
Comps cover for classes	£1500
Playground improvement KS2	£5400 (PTA contribution £953)
Sports Association subs	£925
TOTAL	£18,025

### Impact of Provision

- Children are accessing two hours of quality PE per week in all classes
- Teachers improved confidence in delivering the PE curriculum and out of school clubs
- A more inclusive curriculum which inspires and engages all pupils
- Enhanced quality of teaching and learning
- Increased range of opportunities for children
- Increase in participation of children in competitive tournaments (Teams from Chapel End competing in tournaments almost doubled from seventeen in 2017-18 to 31 in 2018-19 ensuring strong, sustainable, effective links to the 2012 Games Legacy and Olympic and Paralympic Values.

#### School Competitions data 2018-19

- 156 Children attended sports activities after school run by Academy of Sports in 2018-19
- 64 children participated in swimming sessions in the Autumn term 2018 and Spring term 2019
- 135 children attended after school clubs run by other providers.
- Orienteering embedded into PE curriculum
- Local Football team (Billinge Rangers) now developing closer links with school (Train on school pitch every Tuesday)
- Made links with the British Softball Federation and coaches running after school clubs.
- Swimming-Children at Chapel End participate in 12 weeks swimming lessons whilst in KS2. The lessons are planned when the children are in Years 3 and

4. When the current Y6 cohort completed their sessions at the end of Y4 xxx% of them could swim at least 25 metres; xxx% could use a variety of strokes and xxx% could perform safe self-rescue in different water situations. (awaiting data)

#### Academy of Sports After-School Clubs participation 2018-19

Sport/Activity	Phase	Number of children
<b>Autumn Term</b>		
Multisports	KS1	14
Dance	KS2	0
Football	KS2	14
Dance	KS1	0

Gymnastics	KS2	0
<b>Summer Term</b>		
Summer Games	Y1&2	26
Summer Games	Y3-6	24
<b>Other Providers</b>		
<b>Spring Term</b>		
Fencing	Y6	18
Football	Y3-6	0
Swimming	Y3	31
Swimming	Y4	33
<b>Spring Term</b>		
Tennis	Y4 (VN)	8
Judo	Y3&4	12
Football	Y4-6 (BM)	22
<b>Summer</b>		
Football	Y4-6 (BM)	20
Tennis	Y4 (VN)	6
Cycling	Y5	33
Gymnastics	Y4 ( AA)	8
Rounders	Y6 (CS/KP)	14
Netball	Y6 ( CG/KJ)	8

**Targets for 19/20**

- Sustain/ increase after school club participation throughout the year
- Maintain high levels of participation inter-school events.
- Purchase more Games equipment to supplement current stock
- Repeat the 'Change 4 Life' lunchtime club for children who don't normally engage with sporting activity
- Repeat 'Fit 4 Life' sessions for parents of children who are 'fussy eaters'.
- Analyse Reception/Y6 heights and weights data and liaise with the Healthy Living Team' to explore support and provision for children and parents identified with potential concerns.
