

Chapel End Primary School News

www.chapelend.st-helens.sch.uk

Week Ending: Friday January 17th 2020

Dear Parents,

Can I begin this week's newsletter by saying a huge thank you to all parents and families for the support that you give us over the course of the academic year; we are aware, that throughout the year, we ask for help in many ways and for many things. Sometimes we ask for help in raising funds for school when we run non uniform days; at other times we ask for donations for PTFA events such as the Christmas Fair; and we also regularly ask for help in raising money for deserving charities. In addition to this, we ask you to support all our school events such as Harvest celebrations, Productions, Carol services, Coffee mornings etc. We are always overwhelmed by the attendance at these events and the fantastic community spirit that is evident when they are taking place. Schools can't provide the quality education and experiences that children deserve without this support and it is testament to the positive partnerships we have with our parents and families that the children at Chapel End enjoy the fantastic array of opportunities that they do. Thank you.

Winter weather warnings

As always at this time of year, there is the possibility of snow. In recent years, this has led to school closures. These are always a last resort and only happen following comprehensive risk assessments of the school site and access routes onto the site. The outcomes of these risk assessments are specific and unique to every school. Should a closure be necessary, we will send texts via our 'Teachers 2 Parents' facility and we will post information on the front page of the website.

Donation of unwanted Christmas presents

A huge thank you for all your kind donations of unwanted Christmas presents today. Your donations will be used at various events held by the PTFA throughout the year to raise funds for our school.

Junior Milk Money (Years 3-6)

Reminder: Milk Money is now due for payment from parents of junior children who signed up for their child to have milk for this year. The cost for the Spring Term is **£12.00**. If you have not already done so, please send this amount into school by Wednesday 22nd January. Payment should be sent in an envelope clearly labelled 'milk money' and your child's name and class. Cheques should be made payable to Chapel End School. Thank you.
