Parental Comments

My children love to come to school here and they are given opportunities to do out of school activities, the staff are very approachable .

My child's class teacher is very supportive of my child's additional needs.

Lovely school!
My child is happy and settled at this school.

my child has had behaviour issues and the school created a custom plan to help him and it's been very effective, very pleased.

We are very pleased with the education and care our children receive at school and their development is coming on leaps and bounds. Would recommend the school to family and friends.

There has been a marked improvement in the provision of learning in 2021 in comparison to 2020 when there was little communication or engagement during the first lockdown. This improved dramatically when Mr Hewitt arrived. Thankyou!

The staff in EYFS are so dedicated and caring and continually provide updates on my child which is really lovely to see daily. I never expected my child to love school as much as he does it to make so much progress in such a short space of time, which is down to the hard working staff. I wouldn't hesitate to recommend this school.
