Dear Parents/Carers

I am delighted and honoured to introduce myself as the new Headteacher at Chapel End Primary school and Nursery. I would like to thank the children and governors for this amazing opportunity, and I would like to take this opportunity to introduce myself and express my aspirations and enthusiasm for the exciting times ahead. I would also like to thank the whole school community for giving me such a warm welcome this week.

My name is Mr Hewitt, and I was the Assistant Headteacher at St James' Catholic Primary School in Orrell. I held this post for five happy and successful years, and during this time I have also completed two secondments in the role of Deputy Head at schools in Up Holland and Liverpool.

I was born in Billinge and was raised in Winstanley where I still live today. I am married and have two children who are aged 12 and 5. When I am not in school, I enjoy visiting National Trust sites with the family and I am also a keen adventurer who can be found climbing mountains and swimming in lakes in the Lake District, Scotland and Wales.

My philosophy of education is that as teaching professionals we are part of a support network to you the parents who are your child's primary educator. I believe that every child has the right to be educated in a setting that is safe and allows them to freely express their talents. The main objective of primary education, in my view, is to support children in becoming emotionally intelligent people who are ready to move into the wider world and be global citizens. It is important that we instil the values of compassion, confidence, understanding and tolerance towards others whilst ensuring that every child makes as much progress possible academically. Our role is to inspire and motivate children so they can aspire to be whomever they want to be.

Chapel End has experienced many successful years under the leadership of Mr Smith, and I endeavour to work with the staff and as a team move the school forward into the exciting times ahead.

Due to the current COVID 19 restrictions, I am unable to welcome you into school for a meet and greet morning with myself. However, I am sure that I will meet you as you drop off your child, as I will be at the front of school every day at this time.

Yours faithfully

Mr C Hewitt
