### Before and After School Clubs

Before and after school clubs will be closed for the duration of the lockdown period. We do apologise for any inconvenience that this may cause.

### Assessments

Gavin Williamson said that SATs will not be going ahead this year across England.

England's Education Secretary confirmed the news in a House of Commons announcement. We have had no information about how primary assessment systems will be modified following this announcement. You will be notified as soon as the DFE releases official documentation regarding this matter.

During these ever-changing times, more and more families are experiencing job cuts and reduced hours at work. To support our families, Chapel End has linked up with St Helens Foodbank and we are now a 'voucher school'. Families in need of support can collect vouchers discretely from our school office, which they can then use at one of the many foodbanks located around the borough. Please visit <https://sthelens.foodbank.org.uk/> for more information.

During lockdown children will be accessing lots of work online. It is imperative that we keep all of our children safe whilst using the internet.

For advice and guidance about e-safety please visit the safety section of our school website:

### **School Meals**

If your child is still attending school during the current closure please continue to pay meals via SchoolMoney.

School meals cost £12.25 per week (£2.45 per day) and are paid each Monday in advance.

Fish Friday (packed lunches Monday-Thursday and a school meal on a Friday) is also paid in advance for the term (£14.70 this term for 6 weeks).
