Primary School Assessments

Due to the disruptions to schools caused by the COVID 19 pandemic, the following assessments, scheduled between April and July 2021, have been cancelled:

- KS1 teacher assessments (Year 2)
- KS2 tests and teacher assessments (Year6)
- Phonics screening check (Year 1)

Chapel End Primary School are following the recommendations published by the Department of Education and are using test papers from previous years to support judgements about children's attainment and progress in phonics at Key Stage 1, and reading and Mathematics at the end of Key Stages 1 and 2. We will continue to use the teacher assessment frameworks to make judgements regarding writing.

No guidance has yet been published regarding when assessments should take place. There is also no published information regarding EYFS assessment at this time. As soon as this information is available I will post further updates.

The Teacher Assessment Framework has 3 standards:

- Working towards the expected standard
- Working at the expected standard
- Working at greater depth

The standards that each child has achieved in phonics (Years 1+2) and in reading, writing and Mathematics (Year2 + Year 6) will be published in their end of year report.

Yours sincerely

Mr Hewitt
Headteacher
