Dear Parent/Carers,

Due to a positive case of COVID 19, we have consulted with St Helens' Local Authority and Public Health England and based on their advice, we have closed Key Stage 2 on Friday 5th February.

The result that has been confirmed in school has been obtained from a lateral flow test. The member of the school who tested positive has a sibling in a different bubble hence the reason for 2 bubbles closing at once.

The family have been asked to take a 'PCR' test as soon as possible, however the results from these can take up to 48 hours to process. Therefore, I will only be able to confirm which year groups, if any, will be open next week over the weekend.

If your child is in Years 3 or 4, then they should self isolate until we receive the result of this 'PCR' test.

All children in Key Stage 2 will be provided with remote learning on Friday 5th February and for any further period of school closure, in line with the school's blended learning policy.

This result has affected the provision of school meals on Friday 5th February. Any children attending school on this date must be provided with a packed lunch.

It is planned that the school kitchen will be operational again by Monday 8th February and this will also be confirmed to all parents and carers over the weekend.

Yours sincerely

Mr Hewitt
Headteacher
